

WRITING (1hour and 10 minutes)

Task 1 – E-mail writing

You should spend **about 25 minutes** on this task.

You want to attend a short course in the UK. You have seen an advertisement online about the course and you would like some more information. Write an email to the course directors.

Write at least **150 words**

In your email:

- Explain why you are writing
- Say which course interests you and why.
- Ask for more detailed information about: course contents, English level necessary and accommodation.

You do NOT need to write any addresses

Task 2 - Essay writing

You should spend **about 45 minutes** on this task.

Your department/faculty has asked you to respond to this statement taken from a newspaper article.

Many people seem to think that teachers are entirely responsible for a child's education but others would argue that education begins at home.

Write an essay expressing your opinion on this subject. Write at least **200 words**.

In your essay:

- Say what you think education means
- Give your opinion about the different responsibilities of parents and teachers.
- Include any relevant examples from your own knowledge or experience.
